1

The application form (you will find it here <http://olympicuniversity.ru/web/msa-eng/documents>). It is filled in English. It includes the essays where candidates have the opportunity to say something about themselves and their experience, to estimate their own leadership abilities, and share their vision on how they are going to take advantage of the possibilities provided in the MSA programme.

2. The application form is required to be attached with the copy of passport,
 3. Copy of higher education diploma
 4. The copy of the certificate (or any other relevant document) of command of English (language competence will be conducive to successful work in seminars, lectures, as well as in writing essays, course papers and final thesis in English).
- Optionally, candidates may submit any other documents, certificates, letters of thanks. They will be taken into consideration by the Admission Board, but they do not give any advantages over other candidates.
 - Applications will not be considered if they are not attached with the copy of higher education diploma.

All the applications are considered by the Admission Board headed by the RIOU Rector. Following the results of the commission meeting, candidates whose applications were considered may or may not be recommended to the MSA course. Candidates recommended are provided with the corresponding notification.
